

# Leadership in practice

## Scope

10 ECTS-point

## Level

Academy profession degree

## Lecture

The lectures could take place either in the daytime or in the evening.

## Program

You can complete an entire program or choose individual courses.

**STUDY  
WHILE  
WORKING  
FULL TIME**

In the academy course leadership in practice you will strengthen your managerial competencies, and you will be able to assess which of the course's tools are relevant to use in specific management situations.

You will be introduced to theories, models and tools for conflict management and learn about coaching as a tool for conflict management. Furthermore, you will be able to define your own areas of development and set up action plans for your managerial learning.

## Contents

In this course we touch upon:

- ✓ Management theory
- ✓ Personal leadership and development
- ✓ Communication
- ✓ Process of development and learning
- ✓ Conflict management
- ✓ Method

## Duration

There is typically 6 to 12 sessions over 12 to 14 weeks, which does not include the exam period.

## Exam

All courses end with an exam. The exam varies from course to course, which is usually either oral or written test. For more information, visit [cphbusiness.dk](https://cphbusiness.dk) under the individual courses.
